School Community Council

Nebo Student Wellness Policy
Healthy Discussion 2020-21

Required: This topic MUST be discussed as a School Community Council or with council president and principal. Before you discuss this with your School Community Council, be sure the agenda item is posted on your website. Post minutes of the discussion on your website too.

School: Canyon Elementary

Principal: Dave Harlan

Members of School Community Council who discussed compliance:

School Wellness Specialist: Peggy Beatty

Directions: According to the Nebo School District Student Wellness Policy EFA policies and procedures, each school's community council must report on compliance in following that policy for improving student wellness. For the policy see: http://www.nebo.edu/pubpolicy/E/EFA.pdf. The school wellness specialist is assigned to assist in producing the report. Please discuss the school compliance by completing this report.

A. Describe efforts and successes to improve **student** wellness in your school. Your discussion should include health and nutritional education, physical education and activity time, and steps being taken to create a healthier school environment.

- Discussed non-treat based rewards to promote wellness of our students.
- Encourage parents to give a book or a game to the class instead of treats for class celebrations.
- Continue the PTA sponsored fun run.
- Teachers are implementing a meditation minute for their students.
- Some teachers have a class store with no food items.
- For a class reward teachers are having a class game such as sock wars.
- Hold a healthy lifestyle assembly.

B. Describe **employees'** wellness climate, efforts or successes that have occurred in your school.

- The faculty has really enjoyed the team challenges sponsored through Virgin Pulse.
- The My health digital coaching is also appreciated by the faculty.
- More teachers are drinking water instead of soda with the addition of the ice/water machine.
- Treats for teachers is trail mix and nut packs.

C. Describe areas that your school identified as **needing improvement** for both **students** and **employees**. You may include steps or goals to improve this need.

- It was suggested that we have the PE teacher create school wide programs such as "jump rope for your heart"
- Mile walk on Fridays.
- Ride your bike to school days.

D. Healthy choices for classroom rewards/celebrations:

How well are parents following the request to offer healthier rewards and celebrations? (Elementary only)

- Parents have improved in bringing non-food birthday treats such as a class book or other classroom item over years past, and when food is brought, it is healthier.

How well are your teachers following the request to offer healthier rewards and celebrations?

- The teachers are changing classroom incentives to things other than treats such as: sitting by a friend, wearing a hat to school, sitting in the teacher's chair, etc...

E. Federal Smart Snack policy, Nebo Vending Policy (EFC) and Student Wellness Policy (EFA):

How well has your school followed the Federal Smart Snack policy at lunchtime (Food items sold not part of lunch program that are not Smart Snack Compliant)?

- N/A

How well has your school followed the Nebo Vending policy (Secondary only)?

- N/A

Do you have any recommendations for policy or implement changes to the Student Wellness Policy (EFA)?

- Not at this time.

Rules of Order and Procedure

This template was developed at the request of schools and districts to meet a new requirement for school community councils to adopt Rules of Order and Procedure (53A-1a-108.1). The template may be reviewed and amended by councils to meet their needs or councils may develop their own.

To promote ethical behavior and civil discourse each council member shall:

- Attend council meetings on time and prepared
- Make decisions with the needs of students as the main objective
- Listen to and value diverse opinions
- Be sure the opinions of those you represent are included in discussions
- Expect accountability and be prepared to be accountable ● Act with integrity

Rules of Procedure:
All meetings are open to the public and the public is welcome to attend.

The agenda of each upcoming meeting with draft minutes of the prior meeting will be made available to all council members at least one week in advance.

Minutes will be kept of all meetings, prepared in draft format for approval at the next scheduled meeting.

The council will prepare a timeline for the school year that includes due dates for all required reporting and other activities/tasks that the council agrees to assume or participate in. The timeline will assist in preparation of agendas to be sure the council accomplishes their work in a timely manner.

The chair or a co-chair conducts the meetings, makes assignments and requests reports on assignments. In the absence of the chair or co-chair, the vice-chair or other co-chair shall conduct meetings.

Meetings shall be conducted and action taken according to very simplified rules of parliamentary procedure as required in 53A-1a-108.1(9)(i). Items on the agenda take priority over other discussions coming before the council. Action of the council will be taken by motions and voting. The motions and voting are recorded in the minutes.

A motion (or an action to be taken by the council) is stated as a motion. Someone else on the council "seconds" the motion indicating that at least one other person on the council feels the motion is worthy of discussion. Then the council members may provide input and discussion as called upon by the chair. When discussion seems complete the chair may call for a vote on the motion. Or when a member of the council "calls the previous question" (a motion to end discussion of the first motion), a second is required and then, without discussion the chair calls for a vote that must pass by 2/3. If the vote on the previous question fails the council goes back to discussing the first motion. If the motion to call the previous question passes, the chair directly calls for a vote on the first motion. A vote to call the previous question is usually used to move business along.

Attached is a chart that could be used if the council feels they would like to use additional motions of Parliamentary Procedure in their meetings.

Simple Motions of Parliamentary Procedure

MOTION	DOES IT REQUIRE A 2ND?	IS IT DEBATABLE?	CAN IT BE AMENDED?	IS A VOTE REQUIRED
Adjourn	yes	no	no	majority
Amend a motion	yes	yes	yes	majority
Close nominations	yes	no	yes	2/3
Main motion	yes	yes	yes	majority
Point of Order	no	no	no	ruled on by chair
Previous Question	yes	no	no	2/3
Reconsider	yes	yes	no	majority
Withdrawal of Motion	no	no	no	majority

- A tie vote is a lost vote.
- A main motion may be amended.
- Nominations can be closed by saying, “I move to close nominations.”
- Most motions are main motions.
- A point of order is offered when there is some question if procedure had been followed correctly.
- To stop debate or discussion on a motion and force the vote a member would say, “I move the previous question.” This requires a second and a 2/3 vote.
- Hasty action may be corrected by use of the motion to reconsider. This motion may be made only by one who voted on the prevailing side.
- A person who made the motion may withdraw the same motion.
