

School Improvement Plan

Goal #1

This Plan also meets legislative requirements for the Elementary Reading Achievement Plan, Professional Development Plan, and Trustlands Plan.

School Name: Canyon Elementary

School Year: 2016-2017

Goal: Canyon Elementary will show annual progress of all students making academic progress in reading and math as measured by increasing proficiency levels in Reading on End of Level Tests; and 90% of students reading on grade level and on benchmark using district Benchmarks and Dibels assessments.

Nebo Goal (Board Goal) Connection:

- Nebo Goal (Board Goal) Connection: At least 90% of elementary students will read on grade level; At least 90% of all students making a full year of academic progress in reading. At least 90% of students will meet or exceed language arts proficiency levels.

Action Plan(s):

1. Maintain Level Literacy early intervention reading program for first through second grades.
2. Maintain computer based intervention software.
3. Maintain Dibels progress monitoring and Running Records to inform interventions and instruction.

Measurements of Success: Computer and reading interventions in place and starting by September 15th. We will identify and target our First-Third grades below level students. Use proficiency levels in Language Arts in SAGE Tests. Use district benchmark and Dibels assessments.

Supporting Professional Development Activities (if applicable):

Goal #2

This Plan also meets legislative requirements for the Elementary Reading Achievement Plan, Professional Development Plan, and Trustlands Plan.

Goal: Canyon Elementary will commit to participate with fidelity in the CMI Math Professional Development. This includes deepening our mathematical understanding and changing our instructional practices.

Nebo Goal (Board Goal) Connection:

- RESOLVED that, after due consideration, the Board of Education of Nebo School District hereby adopts the CMI Professional Development Training for all Elementary Schools in Nebo School District, which shall be participated in by all Elementary teachers.

Action Plan(s):

1. Select staff facilitators.
2. Staff will attend 16 two-hour sessions done twice per month
3. Full day summer session prior to beginning first year.
4. Commit to the 2 year course of the program.
5. Principal commitment to program. Will avoid other major change initiatives to maintain focus on CMI.

Measurements of Success: Use SAGE Math Proficiency Levels from 2016 to 2017.

Supporting Professional Development Activities (if applicable): This is anticipated to need the complete focus and time of our staff for the next two years. We will complete it with fidelity doing all that is required. Attend all required PD days as provided by district and facilitation team.

Goal #3

This Plan also meets legislative requirements for the Elementary Reading Achievement Plan, Professional Development Plan, and Trustlands Plan.

Goal: Continuous technology upgrades to support student access to technology and student learning

Nebo Goal (Board Goal) Connection:

- Nebo Goal (Board Goal) Connection: Continuous network upgrades to support mobile 1:1 learning

Action Plan(s):

1. Continue to purchase/upgrade/replace available technology with in the classrooms to support access to technology (replace aging audio enhancement systems, additional mobile lab, interactive boards, ipads, laptop access for each team).

Measurements of Success: Upgrade and replace technology (computers, audio enhancements, doc cameras, projectors, chrome books...).

Supporting Professional Development Activities (if applicable):
