

Mission:

The Canyon Elementary School Community will provide students with the essential skills and knowledge that enable them to develop as learners (intellectually, socially, physically, and emotionally). Our teachers, staff, students, and families will work together as partners to encourage a love of learning and achievement in a safe, nurturing environment where everyone respects and values themselves and others.

Vision:

- Each member of our staff will pursue professional goals and make decisions based on best practices
- Students become problem solvers, lifelong learners, and valuable members of the community
- All students will be proficient in reading, writing, and math
- All students will be good citizens in both behavior and attendance

Values/Shared Commitments

- Everyone takes shared responsibility
- Focus on student learning
- Focus on Collaborative teaming
- Commitment to continuous improvement
- Focus on results
