March 22nd - No School - Teacher development day

Our Next Meeting

March 14, 2023
April 11, 2023

Council Members: Julie Peery (Principal), Danika Foht (SCC Facilitator), Jodi Geis (Teacher Rep.), Chad Gwilliam (Parent), Mary Offrett (Parent), Tashelle Johnson (Parent), and Michael Fong (Parent). Guests: Megan Langford, Rachel Nelson

Motion to Adjourn: Tashelle Johnson

Second: Mary Offrett

Teacher & Student Success Act Plan Summary of Programs/Activities Not Included in Plan
 School Name: Canyon Elementary 2022-2023

Program/Activity	Brief Explanation
Art Gallery	We will line our hallways with special pieces of art students complete during their weekly art class and it will be available for parents and guests to view during our week of parent conferences in March.
Fiesta Days Rodeo Reading Challenge	This is our 6th year participating and partnering with SF city and the Rodeo to encourage student reading. Each grade level has one boy and one girl win a set of rodeo tickets for all those who meet the challenge. In addition our top boy and girl receive a cowboy hat, pair of wranglers, and cowboy boots. This year we have all our students participating and look forward to another successful year
Freedom Walk	Fifth graders get to honor a Veteran relative (if possible) with a photo and write-up. These are displayed on a large poster, along with other Spanish Fork elementary schools at Canyon View Park. The event is sponsored by the Spanish Fork Veterans and students get to learn about our freedoms and other patriotic symbols and practices from local Veterans themselves. Hall monitors Students apply in May to be a H
Hall monitors	Students apply in May to be a Hall Monitor. These 5th graders arrive to school early (at 8:25), wear a yellow vest, and stand in assigned high traffic areas in the hallways to help students remember to walk in the hallways and head to class between 8:30 and 8:40
Junior Achievement and BIZ Town	Financial literacy lessons are taught each 1st - 5th grade classroom (1st - 4th with volunteers and 5th from the classroom teacher). Students learn about wants and needs and basic finances aligning with their grade level social student's curriculum. 5th graders culminate their learning and the experience with BIZ town, a chance to plan, organize and run a mini business for a day in Orem.
Lunch buddies	Each fourth grade student has the opportunity to serve as a lunch buddy for the students in the Essential Elements Class. Just as fifth graders take turns serving as lunch workers, a few students each day accompany EEC students to lunch, help encourage them while they eat and then play specifically with them during their lunch recess.
NOVA	Fifth grade students receive training from a local police officer using the NOVA curriculum (Nurturing youth to seek out positive Opportunities, internalize good Values, and to accept Accountability for their choices in life). Students receive once a week lessons for ten weeks and then "graduate" with knowledge relating to the Nova principles as well as a relationship with local law enforcement. https://novaprinciples.com/about-the-n-o-v-a-principles-foundation/
Peer Tutors	4th grade students could apply to be a peer tutor in our Essential Elements Class (EEC) with students who have special needs. The students miss one planning time class a week (not p.e.) to instead go to the EEC class and help students with their academic learning and activities. *This has not been implemented yet this year due to class dynamics and needs but hope to return in 2023/24.
PTA	We have a very supportive PTA here at Canyon who help organize and run the following events (among others): a themed Ribbon Week (Red-Healthy Choices, Green-Safety, White-technology safety), book fairs (books provided to library and classrooms); a school wide fundraiser (varies), Literacy Month, Teacher Appreciation week, Reflections contest, Dudes and Doughnuts, Art Gallery week

	and more. Each year they grant funds to our school that addresses a school need that we try to match with school and district funds to meet the designated school need.
Quarterly reward activities	At the end of each term, the school (and/or grade levels) will have a reward activity for students who have received three or less think sheets for that term. These can be school wide or grade level activities. This year the school activities have been a field trip to a movie theater to watch a movie, a BMX bike assembly, and the field/water day at the end of the year
RAD Kids	RAD Kids Personal Safety and empowerment is a program that has previously been done in 3rd grade for an hour a week per class. We have and maintain two RAD certified trainers, one parent and one school employee (our librarian). This year, 3rd (and 4th as well due to missing it last year with COVID restrictions) graders will be invited to participate in a weeklong experience during the month of June on a voluntary basis. Students pay an afterschool program fee to help sustain the costs of running the program. Visit www.radkids.org for more information.
School Choir	4th and 5th grade students can participate in our once a week, after school choir. Students do two performances for parents (one in December and one in May) as well as perform for students at the school and for other special occasions.
School Play	This year we are implementing a school play - Disney Kids "Lion King." It is a 30 minute version of the actual play. Auditions were held for 3rd - 5th graders and all students who auditioned will get to participate. It will be shown with two performances for the school and two night time performances for families.
Service Learning	We look to provide service learning experiences for our students. Our student council helps arrange some annual school wide service activities each year. We partnered with Tabitha's Way, a local Utah food bank in our community and collected non-perishable items for families in need. The council also sponsors a "friend shipping lunch" periodically for students recommended by classroom teachers who need an extra supportive boost from peers.
Student Council	We have student council applications, elections, and have 10 students serve each year. Mrs. Larsen and Ms. Beckham are our council advisors. The students attend a yearly conference at BYU, and help with spirit weeks, the food drive, assembly kick-offs, PTA events, and the book fair. They also help with daily announcements and model Canyon Track behaviors.
